

# I Can Sing A Rainbow

**“Red and yellow and pink and green;  
Purple and orange and blue.**

**I can sing a rainbow, sing a rainbow, sing a rainbow too.**

**Listen with your eyes, listen with your eyes, and sing everything you see.**

**You can sing a rainbow, sing a rainbow, sing along with me.**

**Red and yellow and pink and green; purple and orange and blue.**

**Now, we can sing a rainbow, sing a rainbow, sing a rainbow too.”**

**Teach your child the song above and then figure out a fun way to make a rainbow using art supplies. You can paint it, use sidewalk chalk outside, use markers, crayons or fabric. Enjoy your rainbow design while pointing out the different colors as you sing. Next time you find a rainbow in the sky, try to find the various shades of colors.**
