

MY SPRAY BOTTLE SOLAR SYSTEM

WHAT YOU NEED

- PAINT
- SPRAY BOTTLE
- PAPER
- CRAYONS/MARKERS
- VARIOUS OTHER ART SUPPLIES OF YOUR CHOICE

WHAT YOU DO:

- DILUTE WHITE PAINT WITH WATER AND PUT IT IN A SMALL SPRAY BOTTLE. LET YOUR CHILDREN SPRAY THIS MIXTURE ONTO BLACK CONSTRUCTION PAPER. THIS WILL MAKE THE PAPER LOOK LIKE SPACE. NEXT SHOW YOUR CHILDREN SEVERAL PICTURES OF THE SOLAR SYSTEM. THEN INVITE THEM TO DESIGN THEIR OWN SOLAR SYSTEM ON THE PAPER.
