

Family Friendship Tree

What You Need:

- Cardboard
- Construction Paper
- Crayons/Markers

What You Do:

- As a family, cut a tree out of cardboard
- Give every member of the family construction paper and have them make one leaf for each person in the family
- Draw their picture or write their name on the leaves
- Have everyone write or draw their favorite thing about each member of the family on their particular leaf
- Decorate your tree with the leaves and talk about family memories that build strong friendships
