

# TEN RINGS GAME

SET OUT MULTIPLE, SMALL, PLASTIC RINGS.

MAKE SMALL CARDS WITH THE NUMBERS 1-10 ON A CARD  
(ONE NUMBER PER CARD — USING 10 CARDS).

TURN THE CARDS OVER AND TAKE TURNS DRAWING A NUMBER.

TALK ABOUT HOW TO IDENTIFY THE NUMBER — WHAT DOES IT LOOK LIKE?

COUNT THE NUMBER OF RINGS FOR EACH CARD DRAWN AS YOUR CHILD PLACES THE RING ON THEIR FINGER.

CONTINUE TAKING TURNS UNTIL ALL OF THE CARDS HAVE BEEN PLAYED. WHO HAS THE MOST RINGS? HOW MANY RINGS DOES EACH PERSON HAVE?
