

Ocean In a Bottle

What You Need:

- Bottles (peanut butter jars, baby food jars, etc.)
- Sand
- Sea Creatures
- Rocks
- Water

What You Do:

- Let your children put sand and small rocks in a bottle. Then have them add small plastic sea creatures and grass (seaweed) Finally, have them add water and salt. This makes a and fun, hands on, "Ocean In A Bottle."
- Note: Super glue the lids shut so your children can not open them
