

Cat In The Hat

After Reading Dr. Seuss' Cat In The Hat book, create your own Creative Top Hat

- Paper Plate
- Paint
- Construction Paper
- Cellophane Tape or Masking Tape
- Paint Brush
- Scissors

Instructions:

Paint the paper plate any color you choose. Once the paint is dry, cut out the center of the paper plate. Leave the outside rim about 2 inches thick.

Cut a piece of construction paper to approximately 8-inches by 8 inches. Tape this into the circle you cut out of the paper plate so as much as possible sticks out through the top of the plate. Voila - instant top hat!

Decorate your crazy creative top hat with buttons, stickers, yarn or stamps!
