

# My Own Diamond Constellation

## What You Need:

- Black Paper
- Chalk

Using black paper, help your child create many diamonds in any pattern desired. Have them connect the diamonds to create their own constellation. What should the constellation be named? Talk about constellations that are popular and easy to see, such as the big and little dipper. Hang up the constellation as a decoration and sing

“Twinkle, Twinkle, Little Star.”

Twinkle, twinkle, little star  
How I wonder what you are.  
Up above the world so high,  
Like a diamond in the sky  
Twinkle, twinkle, little star  
How I wonder what you are!

When the blazing sun is gone  
When there's nothing he shines upon,  
Then you show your little light  
Twinkle, twinkle, through the night.  
Twinkle, twinkle, little star  
How I wonder what you are!

In the dark blue sky so deep  
Through my curtains often peep.  
For you never close your eyes  
Till the morning sun does rise.  
Twinkle, twinkle, little star  
How I wonder what you are!

Twinkle, twinkle, little star  
How I wonder what you are!
