

# Stop Sign

## What You Need:

- Wax Crayons
- Paper
- Tempera Paint

## What You Do:

- You can cut a small paper plate into a stop sign and write the word stop with a wax crayon. dilute red tempera paint with water and have your children paint their sign to see the magic word appear.
- Talk about the shape of a stop sign.
- Talk about the color of a stop sign.
- Talk about why we need to stop when we see a stop sign.
- Hang your stop sign on a place in your house a reminder to not touch or to stop.
