1 (16 oz.) pkg. chocolate sandwich cookies, crushed and divided

8-10 (8 oz.) plastic or paper cups

Silk or plastic flowers (optional)

Pour 2 cups cold milk into bowl. Add pudding mix. Beat with wire whisk until well blended. Let stand 5 minutes. Stir whipped topping and 1/2 of the crushed cookies into the pudding, very gently until mixture is all the same color.

Place 1 tablespoon of remaining cookies into bottom of cups. Fill cups about 3/4 full with pudding mixture. Top each cup with the rest of the crushed cookies. Put cups into refrigerator to chill until set, about 1 hour. Garnish with flowers and worms (optional)
