**My Own Diamond Constellation**

**What You Need:**

- Black Paper
- Chalk

Using black paper, help your child create many diamonds in any pattern desired. Have them connect the diamonds to create their own constellation. What should the constellation be named? Talk about constellations that are popular and easy to see, such as the big and little dipper. Hang up the constellation as a decoration and sing

"Twinkle, Twinkle, Little Star."

Twinkle, twinkle, little star
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky
Twinkle, twinkle, little star
How I wonder what you are!

When the blazing sun is gone
When there’s nothing he shines upon,
Then you show your little light
Twinkle, twinkle, through the night.
Twinkle, twinkle, little star
How I wonder what you are!

In the dark blue sky so deep
Through my curtains often peep.
For you never close your eyes
Till the morning sun does rise.
Twinkle, twinkle, little star
How I wonder what you are!

Twinkle, twinkle, little star
How I wonder what you are!
