

Marble Cow

What You Need:

- Construction Paper
- Crayons/or Markers
- Paint and perhaps sponges for painting)
- Leaves, Twigs and Grass
- Scissors
- Glue
- Tape
-

What You Do:

- Precut a cow shape on white construction paper. Tape the cow cut out on a tray or in a shoebox..Put black paint on a marble and allow your child to move and wriggle the tray back and forth to create the markings of the cow..You can then paste the cow on paper and have your child use the other supplies to make a barn.
