

# THE NUMBER TWO

## PAIRS TABLE

- HAVE YOUR CHILD HELP YOU FIND OBJECTS THAT COME IN PAIRS TO SET ON A TABLE.
- FOR EXAMPLE, YOU COULD DISPLAY A PAIR OF SHOES, A PAIR OF SOCKS, A PAIR OF MITTENS, A PAIR OF CHOPSTICKS, ETC.
- MIX THEM UP AND HAVE YOUR CHILD MATCH THEM BACK TOGETHER.
- COUNT THEM AND TALK ABOUT HOW THERE NEEDS TO BE TWO IN ORDER TO MAKE A PAIR!
