

Letter E Activities:

1. Draw a picture of an elephant and talk about where an elephant would live. What would the elephant eat? Where would an elephant sleep? If you were friends with an elephant, what would you do together? Create a fort in your room and pretend to be an elephant.
2. Learn the Eeney, Meeney, Miney Moe poem:
Eeney meeney miney moe,
Catch a tiger by his toe.
If he growls, let him go.
Eeney meeney miney moe!
3. While at the grocery store, try to find foods that begin with the letter E.
4. Think of something you like to eat that is made with EGGS. Make it together as a family and practice cracking EGGS all by yourself. What does it look like? What does it feel like?
5. Decorate the Letter E and hang it up where you can see it.
